

## Chapter XXXIII

### INSPECTION OF STATION ACCOUNTS

3301. **Responsibility of Travelling Inspector of Station Accounts.** -The preceding chapters deal with the check and counting of returns which are submitted by the stations to the Accounts Office. The check of initial records of accounts maintained at stations, which do not come under the scrutiny of the Accounts Office, is carried out by the Travelling Inspectors of Station Accounts who are also responsible to check that the returns submitted by stations to the Accounts Office have been correctly prepared and agree with the initial records maintained at the stations.

A cell dedicated for the purpose of checking online transactions of different Systems may be formed in the Traffic Accounts office of each Railway by providing PRS/FOIS/UTS/PMS Terminals for in house online checking of the system with some specific report generation e.g.,

- 1) Exception report of missing Roll continuity.
- 2) Short remittance.
- 3) Delayed remittance.
- 4) Distance Masters.
- 5) Junction distance table.
- 6) Commodity/Classification Master.
- 7) Wagon Master.
- 8) Siding Master.
- 9) Any other Masters Introduced from time to time .

However, checks such as check over short supply certificates for granting of Train Load Classes have to be carried out at the units itself until and unless the same has been incorporated in the system.

**3302. Programme of Inspections.-** Every station must be inspected at such intervals as may be fixed by the Accounts Officer, the interval not to exceed, ordinarily, four months in the case of large stations and six months in the case of small stations.

**3303. Inspection of the office of YTSK, JTBS, CBA, Post Office PRS, Defence-PRS, Non-rail head PRS, Out-Agencies, etc** - Each Office of the YTSK, JTBS, CBA, Post Office PRS, Defence-PRS, Non-rail head PRS, Out-Agencies, etc. should be inspected every month by the Accounts Inspector or Commercial Inspector to ensure that the Agent correctly accounts for all the tickets sold and cash collected and does not, at any time, fall behind schedule either in making remittances or submitting accounts to the railway. Each inspection by Commercial and Accounts Inspector in alternate month should be conducted thoroughly in order to detect any irregularity. A similar procedure should be introduced in the case of City Booking Agents and Out- Agents to ensure that the returns and remittances, etc. are received in time and regularly. Inspection of JTBS/YTSK/Halt contractor/non-railway PRS heads:/Out Agencies and other similar authorised ticketing agencies by TIAs/CTIs every alternate months. eg., TIAs may inspect a unit in odd months and CTIs in even months.

3304. The Inspectors are required to keep their programmes confidential and the date on which it is proposed to visit a station, Private Freight Terminal, container depot, siding, non railway head, private Railway, etc should not be made known to the Station Master concerned.

**3305. Intensive check over collection of Tickets.-** Intensive check over collection of tickets should be conducted periodically at stations. For this purpose, the collection of tickets of all passengers arriving at or entraining at the stations during 24 hours should be supervised by Inspectors of Station Accounts of the Reserve Force as nominated by the Accounts Officer and staff of the Commercial Department. These intensive checks should, also, be carried out by the Travelling Inspectors of station Accounts holding regular beats during their journeys to and from station with the assistance of station and Ticket Checking staff.

**3306. Facilities for investigations.-** The Station Masters are required to allow the inspecting staff of the Accounts Department free access to all correspondence, books and other records at stations and to afford them every possible facility in their investigations. All books, documents and vouchers, as well as all tickets in Stock, outstanding parcels and goods, cash in hand, statements, etc. which may be asked for by the inspecting staff, should be promptly produced for their inspection. Access to records and data/reports/statements etc which are maintained on UTS/PRS/FOIS/TMS, etc. and various system reports, should be provided to TIAs through a unique ID & Password for the required period, as specified from time to time. Reports which are required regularly should be available as a Web Report with facility of access to various reports through Multiple Tabs.

**3307. Inspection of Initial Records.-** The Inspectors should pay particular attention to the manner in which the initial records are maintained at stations and Private Freight Terminal, container Depots, Sidings, non railway heads, etc. They should see that there are no erasures, overwritten figures or unsigned corrections in the station, Private Freight Terminal, container Depots, Sidings, non railway heads, etc books and documents and that otherwise they have been maintained up-to-date, efficiently and in a way that they can be relied upon, if necessary, as evidence in a court of law.

**3308. Duty of Inspectors to instruct station staff.-** The Inspectors should, at all times, be prepared to give readily, when an application is made to them by the station staff, instructions for the preparation of returns for the Accounts Office and as to the manner in which the books and accounts are to be kept at stations. Should any portion of such instructions be not understood by the station staff, the Inspectors should take the opportunity afforded by their visits to stations, to clarify them and instruct the staff how to maintain their accounts and records.

**3309. Initial Records not to be removed outside station premises.-** The work of checking the initial records and documents must be done at the stations concerned and no documents belonging to the station should be removed outside the station premises, except under special instructions from the Accounts Officer or under very exceptional circumstances such as frauds.

**3310. Duties of Inspectors in cases of frauds.-** When a fraud is suspected at a station or any non-railhead location Jansadharan Ticket Booking Sewak, Yatri Ticket Sewak Kendra, Indian Post Passenger Reservation Counter, Defence Passenger Reservation Counters, Container depots, Private sidings, Weighbridges, Private Ports, IRCTC agents, etc. it is incumbent on the Inspector immediately to report

the matter to the Accounts Officer by name, and to continue the investigation of the case with caution and calmness, avoiding excitement and any tendency to exaggerate facts or jump at conclusions. In such a case, he should, on no account, leave the station /non-railhead location or take upon himself the safe custody of the books/equipments or cash connected with fraud, without the permission of the Accounts Officer. He should, however, see and call for a departmental and concerned executive officer's intervention (through RPF) and to ensure that proper measures are taken to prevent access by the suspected party to the connected books/equipments, cash, etc. The general instructions laid down in Chapter XI of the Indian Railway Financial Code should be borne in mind in dealing with cases of losses, frauds and embezzlements.

**3311. Main items to be checked by Inspectors.-** The detailed instructions for the check of various records of accounts at stations, Private Freight Terminal, container Depots, Sidings, non railway heads, etc. will be prescribed by the Financial Adviser and Chief Accounts Officer or shall be as laid down in the Manual of instructions for Inspection of Stations Accounts.
