Sub: Action Taken Report on Minutes of Board Meeting.

As per Minutes of the Special Board Meeting held on 11/07/2017, Board has decided as under:-

1. Cases of water-logging in various yards on NCR and ECR affecting signals and train movements was discussed. Engineering officials shall recheck the condition of yard drainage at all vulnerable stations with history of flooding. GMs shall get a confirmation from all DRMs.

2. Cattle run-over cases are taking place repeatedly in some divisions like Allahabad and Jhansi. GM/NCR shall get mapping of all past cases of last two years done and devise preventive measures. Similar action shall be taken by other Railways where repeated cattle run-over cases are being reported."

In view of above, action may please be taken immediately by Railways. A report on action taken shall be submitted to Board by 25th July, 2017.
