Principal Chief Engineers,
All Indian Railways.

Sub: Directed maintenance of major yards.

It has been decided that all major yards should be taken up for attention under directed maintenance. The resources available in the Divisions should be pooled by mobilizing adequate labour, Supervisors, material, machinery etc. and the yards should be attended thoroughly. At least one such yards should attended in the Division every month.

You are kindly requested to identify the major yards in your Railway and furnish the action plan for attention of such yards under Directed Maintenance.

Kindly acknowledge receipt of this letter.
