Principal Chief Engineers,
All Zonal Railways.

Sub: Provision of Protective Helmets with Miner’s Lights to Patrolmen.

Railways Board vide letter under reference had already issued instructions to include protective Helmets with Miner’s Light as a part of T&P items for night Patrolmen as a part of safety measure.

It is considered that Zonal Railways must have provided Protective Helmets with Miner’s Light to all night cold weather Patrolmen. In addition, a good quality torch with sufficient battery life shall be provided to night Patrolmen as per T&P items list included in IRPWM.

Confirmation in this regard shall be sent to Board by 31.12.2016.
