Sub: Audit Para No. 2.3 for the year 2013-14 of C&AG Report No. 13 of 2016 (Railways) regarding “Irregular award of contract”.

Ref: Railway Board’s letter No. 2001/CE-I/CT/3 dated 12.04.2001

Instructions regarding sub-sectioning of work into different tenders to expedite the work already exist on Railways. However, in Audit Para 2.3 of C & AG Report No. 13 of 2016 regarding “Irregular award of contract”, Audit has observed as under:

“The award of five contracts to a single firm, considering the eligibility criteria for one contract instead of evaluation of eligibility of firm taking all contracts as a whole, is in contravention to Railway Board’s order dated 12.4.2001. This led to poor execution of work in all the contracts and these were either closed/ terminated due to default owing to contractor.”

2. The matter has been examined in Board’s office and it has been decided that Railways, while sub-sectioning the work into different tenders to expedite the work should adhere to the provisions of Board’s instruction letter under reference (copy enclosed).

DA: As above.

Sub: Irregularities in award of work to the Contractor – Issue of instructions.

......

In the course of investigation of a case, certain irregularities were noticed in the award of the works to the contractors. To avoid these irregularities in future, Board(ME) has suggested following steps:

1) If sub-sectioning has been done with a view to expedite the work, then only one tender will be awarded to one firm. Or alternatively,

2) If the same firm becomes L-1 in all the sub-sections, then evaluation of the firm for its fitness for award of all the works should be done for the work as a whole. This will avoid over-loading of the firms beyond their financial capability.

The above instructions should be strictly adhered to.
