

HOW TO USE THE TIME TABLE

Trains at a Glance, is a handy guide brought out every year by the Ministry of Railways for the convenience of regular intercity and long distance travellers as well as foreign and domestic tourists. The timings of all the Mail/Express trains operated by Indian Railways are indicated in this book. However, the tables do not indicate all the stoppages of a train - only stoppages at important stations are shown. This publication does not include the timings of passenger (slow) trains, through and slip coach services. For these details, please refer the Zonal Timetables.

The Tables in this book will give you details about the departure and arrival timings of trains, the stoppages at major stations, their days of service, classes of accommodation, distance in kilometres and availability of pantry cars.
