No. 2017/LMB-I/3/2

New Delhi, dated 13.11.2017

The General Managers,
All Indian Railways/PUs,
(As per mailing list)

Sub.: Action to be taken on Points noted during NCR Review Meeting held by Hon’ble MR at Baroda House, Northern Railway on 17.10.2017.

During a recent Review Meeting of North Central Railway, Hon’ble Minister of Railways has, interalia, emphasized that more & more use of pre-engineered and pre-fab materials should be made so as to reduce construction time and no new projects should be taken up unless land is available.

2. In order to timely completion of construction works, Railways are advised to suitably instruct the field unit to use pre-engineered and pre-fab materials in construction. Further, Railways are advised to ensure that new projects are taken up only after acquisition of land.
