No. 2017/LMB-1/3/2

New Delhi, dated 26.04.2018

The General Managers,
All Indian Railways/PUs,
(As per mailing list)

Sub.: Use of pre-fab materials in construction for early completion of Projects.

With reference to above subject, all zonal Railways/PUs were advised to emphasize use of pre-fabricated technology in construction.

2. It has been noted that feedback on the above subject has been received only from East Coast Railway. East Coast Railway has constructed/completed 18 staff quarters using pre-fabricated technology within a short duration of mere 4 months. The cost of the work is about ₹2.27 crore.

3. Hence, it is desired that all zonal Railways/PUs to utilize pre-fabricated materials in construction in line with the work done by Khurda Division of East Coast Railway. Railways/PUs are advised to take necessary details from East Coast Railway for the work done by them.
