GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No. 2010/V-1/ALSL/1/3
New Delhi, dated 24.09.2010

The General Managers (Vigilance)
All Indian Railways/PUs/PSUs
METRO/CORE/RDSO.

Sub: Shifting out of Officers figuring in Agreed and Secret List,
from sensitive posts.

As per the instructions issued vide this office letter No. 2005/V-1/ALSL/1
dated 02.12.2005, it was instructed that Officers borne on Agreed/Secret List should not
be posted to sensitive posts and in the event of an Officer included in these lists, holding
such a position, his immediate transfer should be arranged. However, where immediate
change is not possible, the General Manager may record reasons why such change is not
possible. In addition, the following conditionality should apply:

a. Officers borne on Agreed/Secret List should not be nominated on any
Selection/Screening Board/Committee, Tender Committee, as Arbitrators or
Inquiry Officers.

b. Such officers should not deal with important financial matters, where there is
scope for improper exercise of decision. Such cases can either be dealt with by the
next higher authority himself or marked to some other officer in the equivalent
grade, but not borne on Agreed/Secret List. They can, however, be permitted to
deal with financial matters of small value subject to test check by the next higher
authority to the extent possible.

It has come to notice that one officer working as CHOD/PHOD in one of the
Railways was allowed to deal with issues of sensitive nature by GM, though the
concerned officer’s name appeared in the Secret List. This amounts to violation of the
instructions on the subject. Therefore, the instructions issued vide letter cited above, are
reiterated again for strict compliance and no exceptions should be allowed in their
compliance.
