The Chief Vigilance Officers
PUs/RDSO/CORE

Sub: Third Party investigations – keeping Board Vigilance apprised- reg.

Vigilance Organizations in Zonal Railways and Production Units of Indian Railways would at times need to interact and collaborate with investigating agencies like the CBI from time to time.

I am directed to communicate that Board (Vigilance) may kindly be kept apprised of such exercises, especially if an event has the potential for catching the attention of the media. Necessary instructions may kindly be issued to ensure that Board (Vigilance) is kept apprised of such developments in time.

This issues with the approval of Adviser Vigilance, Railway Board.
