GOVERNMENT OF INDIA/BHARAT SARKAR
MINISTRY OF RAILWAYS/RAIL MANTRALAYA
(RAILWAY BOARD)

No 2008/V-1/CVC/1/4

New Delhi, dated 11th January, 2017

The Chief Managing Director,
All PSUs.

Sub: Identification of Sensitive Posts in PSUs.

While dealing the case of an SAG rank officer for granting his extension of tenure it has been noticed that one post of GGM of one PSU was not included in sensitive post even though the job involves dealing with procurement of Rolling Stock, containers, etc. which in itself is a sensitive work. In fact on going through the information furnished by the PSU, it appears that barring Engineering Branch/Section, the PSU has not declared any officer rank post as sensitive.

In this regard, Hon’ble Minister of State for Railways has desired that all PSUs may undertake a fresh exercise of identification of sensitive posts in the letter and spirit of CVC/Railway Board guidelines issued for the purpose. After identification of sensitive posts following action should be taken:

(i) The PSUs should furnish list of sensitive posts identified and notified.
(ii) List of sensitive posts may be enlisted in public domain i.e. on the website of the individual establishments and also on website of Indian Railways.
(iii) CVO should scrupulously monitor implementation of rotation of officers in sensitive posts.
(iv) The incumbents working on sensitive posts who have already completed their tenure should be immediately transferred for complying with the guidelines given by CVC/Railway Board.
(v) Transfer orders which have already been issued should be implemented immediately.

Necessary action, as desired by Hon’ble Minister of State for Railways may be taken and compliance may be furnished within next 15 days for onward submission to Hon’ble Minister.
