In continuation of above, 'Sardar Patel United Clean India Drive' is to be carried out by all Railways from 11<sup>th</sup> Oct., 2015 to 31<sup>st</sup> Oct., 2015. An indicative list of activities to be organized in this period of theme based 'United Clean India Drive' was also sent earlier as Annexure II of CRB's letter under reference, dated 24.09.2015. It is expected that the Drive would have been launched in your Railway.

Being the first in the series of Theme based drives, considerable attention is shown on the manner in which the same is being organized. Regular feed backs on this are being given to MoUD also.

Reports on the activities undertaken in this drive may kindly be sent to EnHM Dte., Railway Board by email in [swami.mor@nic.in](mailto:swami.mor@nic.in) as and when the activities are carried out without waiting for the end of the drive, in order to facilitate periodical review and reporting to MoUD.
