# Facilities for Person with Disability Users on Indian Railways websites

At present 47 Indian Railways websites including Ministry of Railways (Zonal/Productions/CTIs) are hosted on CRIS servers. Following features with respect to accessibility are already incorporated in these websites

1. Screen Reader Access at header section of the websites.

Screen Reader Information

Screen Reader	Website	Free / Commercial
Non Visual Desktop Access (NVDA)	https://www.nvaccess.org/	Free
System Access To Go	https://www.satogo.com/en/	Free

2. Different Colour theme option available at home page.

3. Font size with increase and decrease option available at header section.

4. Complete Accessibility menu at right corner of home page.
