7. Fill the data according to the instruction provided (see the instruction 2 for filling the data) (Image 7) and click on save button data will be saved.(see Image 7)

The screenshot shows a web browser window with the URL www.indianrailways.gov.in/railwayboard/MCDO/kpiinputp.jsp?inyear=2019&inmonth=4. The page displays a table for data entry. The table has four columns: a small column for a category number, a column for a category name, a large column for a description, and a column for a date. The data rows are as follows:

	categories		
9.6	Reduction in Pendency of unprocessed inter railway transfer cases	Divisions will give progress on six monthly basis. (Maximum 500 words).	
9.7	Settlement of employee grievances	Divisions will give progress on six monthly basis. (Maximum 500 words).	
9.8	Efforts in commissioning of MDDTI/localized refresher course	Divisions will give progress on six monthly basis. (Maximum 500 words).	
10	Holistic Performance and Impression of Division		

At the bottom of the table, there are two buttons: 'Save' and 'Reset'. The 'Save' button is highlighted with a black border. Below the table, there is a footer that reads: 'Copyright © 2018, Centre For Railway Information Systems, Designed and Hosted by CRIS'.
