No. FROA/2013/17

Dated: 10-05-2013

Shri Ajit Seth,
Cabinet Secretary,
Government of India,
Rashtrapati Bhawan,
New Delhi -110 004

Ref: Letter of this Federation, dated: 06-05-2013 regarding transfer and postings in Indian Railways.

The Governing Council of FROA met today on 10th May, 2013 and discussed the concerns of officers with regard to the recent developments and negative publicity generated in the media. The previous letter of the Federation, dated: 6-5-13 has been wrongly interpreted by the media to project as if all postings and transfers involve payoffs and most officers of the Railways indulge in such condemnable practices. Some departments have also been unfairly targeted by media.

Sir, the Federation assures you that officers of Railways belonging to all departments are a sincere and hard working lot and are honest to their profession. A few aberrations cannot be seen as representative of the cadres. The letter written earlier on May 6 was not meant to create a sensation, but to express concerns of officers and to seek genuine reforms in the system.
