

FEDERATION OF RAILWAY OFFICERS' ASSOCIATIONS

SECRETARY GENERAL
FROA
NEW DELHI

2020/FROA/1

New Delhi, dated 07.01.2020

The Chairman,
Railway Board

Respected Sir,

7/1/2020

As, we across the Railways, gather with family and friends, FROA wishes you and your family a happy and healthy New Year, 2020. The last year was momentous under the inspiring and able leadership of Hon'ble MR. We sincerely hope that in 2020, though the challenges are great, each of us has the courage and determination to rise up and meet them. We as, Group A Officers are performing our assigned duties with sincerity, dedication and further assure you of our commitment to keep do so in future

FROA has always welcomed reforms and innovations in Railways working. It feels there is a need to work hard for an all round improvement in IR's functioning so that we are able to satisfy the ever growing expectations of our customers.

In this connection, FROA specifically draws your kind attention to recent decisions taken which have far reaching implications for the officers of Indian Railways, the organisation as well as our customers. Some of these decisions such as Pruning down of Railway Board, Corporatization of production units, Merger of services etc. have created a lot of apprehension and insecurity amongst various cadres. These measures tend to nullify the benefits to officers in view of the cadre restructuring exercise which was carried out only recently after several years

FROA feels that consultation and regular communications with the stakeholders will be beneficial for any major policy reform to succeed. FROA therefore, requests you to take into confidence the respective services associations before any further action involving the future career prospects of Railway Officers is taken.

(P.K.Sinha) With Regards,
(P.K.Sinha)
President
