Dear Sir,

Sub: News item attributed to Railway Officers' Federation.

Apropos the news regarding posting of Railway Board Chairman that appeared in your newspaper on June 10, 2013, it needs to be pointed out by this Federation that we have neither any knowledge in this matter nor have highlighted or protested about any alleged scuttling or manipulation for the post of Chairman, Railway Board. The news item has been wrongly attributed to information from Railway Officers' Federation. None of the office bearer of this Federation ever discussed this matter with any of your correspondents.

The news report has also mentioned the names of specific officers and vigilance cases against them. This is also to inform you that the Federation never takes up case pertaining to individuals and deals only with policy issues.

I hope that you will find a place for this correspondence in your newspaper.

Yours faithfully,

Shubh
