No. 2020/FROA/1

Dt. 10.08.2020

P.S.

Chairman,
Railway Board,
New Delhi- 11001

Dear Sir,

At the outset, FROA expresses its gratitude to you for giving a patient hearing to us on the night of 5th August regarding various issues pertaining to IR. We are particularly indebted to Hon'ble MR for agreeing to our appeal to continue with TADK for officers as per entitlements. While the retention of TADK is a heartening gesture, the proposed review of the present selection process has led to sense of anguish and apprehension amongst the officers fraternity. Zonal federations have requested to continue with the existing system (Some representations are enclosed for reference).

It is humbly requested that the present system of selection of TADKs has been in vogue since long and has several inherent advantages. A TADK selected through the officer concerned imparts a sense of safety, confidence, trust and privacy for the families of the officers. This issue should hence be seen not only from the point of view of officers, but also of the welfare and security of their families during course of discharge of officers duties. Moreover, similar selection procedure already exists in several Judicial and Civil administrations, (copy of High Court Jammu and Kashmir enclosed).

The FROA humbly requests the present system of selection to continue since it is streamlined and transparent subject to official scrutiny at various levels. FROA reiterates its commitment to any step of MOR for further improvements on IR.

With kind regards,

P.K. Sinha
