No. FROA/2013/40

New Delhi,
Dated: 04-09-2013

The Chairman,
Railway Board,
Ministry of Railways,
New Delhi.

Sub: Cadre Restructuring of Organised Group A Services.

The cadre restructuring exercise for the Organised Group A Services have been underway for nearly five years. It is requested that the same be kindly finalised and sent onward for approvals.

Meanwhile, it is understood that the recently superannuated CRB and FC have taken a liberal view of the IRTS Cadre and have approved and recommended higher provision for HAG-and-above posts for the same. This is a positive development. The same yardstick should now be applied uniformly so that officers get identical promotional avenues across all cadres. Since a considered view has already been taken, duly concurred by the FC, expanding the same to all services should be an easy task. This will not only bring uniformity across cadres but will also prevent dissatisfaction, frustration and heartburn due to differentials in career progression between services.

(Shubhranshu)

Hony. Secretary General
