All Zonal Railways.**

Sub: Works relating to manning of unmanned level crossings.

Ref: DFC/Budget/Rly. B'd letter No. 2009-B-104 dt. 20.09.10.

May kindly find enclosed herewith Board's letter w.r.t. redistribution of sanctions of manning of 1000 nos. of unmanned level crossing. The progress of manning along with total sanctions available is also enclosed. On some of railways, nos. of sanctioned manning works is more than the nos. of unmanned level crossings qualifying for manning as per the latest criteria. The same has been done purposefully to take care of any future arising in coming five years and avoid any delay, for want of sanctions, in complying IR-Visoion-2020 and Budget Speech 2010-11, i.e. commitment given in the Parliament. Further, vetting of estimates, tender finalization and creation of infrastructure for manning of unmanned gate should be expedited ~~gate~~, in order to achieve the intended goal.
