It was decided that henceforth, officer at a progressively higher level should endorse the observations raised on a particular case second time & onwards, i.e. if 2nd time observations is raised in the same case, then that must be endorse/signed by one level higher officer (up to a maximum of CE(Con.)/CBE level).

Similarly, the compliance with such repeated observations from NHAI/MoRT&H must also be signed by officials of a corresponding higher authority.

This is issued with the approval of competent authority.
