**GOVERNMENT OF INDIA (BHARAT SARKAR)  
MINISTRY OF RAILWAYS (RAIL MANTRALAYA)  
(RAILWAY BOARD)**

**No. 2018/EnHM/01/02/Vol.III**

**Dated: 05.04.2023**

**The General Managers,  
All Indian Railways**

**Sub: Compliance of directions issued in the matter of NGT OA No. 141/2014 (Saloni Singh & Anr. Vs. UoI & Ors).**

All zonal Railways, in past through various letters of Railway Board, had been requested to take necessary action for implementation of all quantifiable indicators over 720 identified major railway stations in compliance to Hon'ble NGT's order dated 18.11.2021 in OA No. 141/2014.

A google sheet has already been in circulation for the purpose of monitoring the progress made by zonal Railways. An updated position of this google sheet is enclosed with this letter which shows that progress of implementation of quantifiable indicators is very slow, which may be seen in respect of WRPs/ETPs/STPs, composting plant, material recovery facility (MRF), waste management & Environment Management Plan which is causing delay in compliance of the Hon'ble NGT's order. It is also seen that NCR, SR, SECR, SWR & WCR have not even updated their status on the aforementioned Google sheet for more than 06 months.

In view of the above, it is requested to make sure that all the quantifiable indicators are implemented over 720 identified major railway stations by the end of this month in order to meet the directions of Hon'ble NGT.

**Encl: As above (01 page)**

**Signed by Shailendra  
Singh**
