SUB: Environment Sustainability Report- 2022-2023

An Annual Report on achievements and highlights of Indian Railways for the year 2022-23 on Environment Management is to be prepared by Environment Directorate.

It is, therefore, requested to list out the highlights and initiatives undertaken in regard to Environment and Sustainability, achievements on Environment Management, initiatives taken and/ or on the anvil, and forward the same to EnHM Directorate by 30.05.2023 for preparation of the Annual Sustainability Report.

Achievements / highlights of the financial year 2022-2023 may kindly be given with good photographs. Matter should be restricted to one or two pages. The information / matter in word file and selected good quality photographs separately attached in jpg format may also kindly be emailed to advenhm@rb.railnet.gov.in.
