

No. 2022/EnHM/08/02

dated 19.09.2023

My dear General Manager,

Sub: Swachhata Hi Sewa (SHS): Special Campaign- Har Patri, Saaf Suthri.

Ref: CRB & CEO's letter No. 2022/EnHM/08/02 dated 24.09.2022.

Indian Railways have taken forward the mandate of 'Swachhata' in the country through 'Swachh Rail, Swachh Bharat Mission'. This year, Swachhata Pakhwada and Swachhata hi Seva Campaign (SHS) is being observed from 15/16 September, 2023 to 02 October, 2023 with the key objective of garbage free India. This campaign has to be energized and to be given special momentum making it a mass movement (Jan Andolan).

It is being observed that in many places, areas beyond the railway stations on both sides of the track alongside the city boundaries are littered with garbage and is concerning area for open defecation. In view of this, it is desired to launch an intensive campaign 'Har Patri, Saaf Suthri' and to be continued over October, 2023 focused on cleanliness of railway stations and adjacent areas. All Zonal Railways are to institute suitable prize for 'Har Patri Saaf Suthri' for best performing division within their zone.

Efforts should be made to involve Urban Local Bodies (ULBs), State Government and Participation from citizens, Community Based Organizations (CBOs), Self Help Groups (SHGs), youth associations etc for the aforesaid campaign.

With Best wishes,

Your sincerely,

Roop Narayan Sunkar

The General Managers,
All Zonal Railways.
