No. 2021/Stn.Dev.-I/08/18

New Delhi, dated: 17.01.2025

The General Managers,
All Zonal Railways.

Sub: Safety Drive to check ongoing upgradation of structures under "Amrit Bharat Station Scheme".

It has been decided to immediately launch a safety drive to check all the safety aspects related to works of construction / modification of structures at railway stations under Amrit Bharat Station Scheme. All the stations where works are in progress should immediately be got checked but not later than one week (i.e. by 24.01.2025) by officers/multidisciplinary teams and necessary corrective steps be taken appropriately to address the deficiencies/shortfalls (with special emphasis on safety) observed during the drive. The progress of drive should be monitored on daily basis and at the end of drive period, a consolidated report should be submitted to the Railway Board.

2. Zonal Railways should form multi disciplinary team(s) comprising officers from Engineering, Electrical etc. from Openline/Construction to randomly check all Amrit Station works with respect to compliance of safety/quality norms. The deficiencies / shortfalls noticed by such teams shall be advised immediately to concerned executives for taking corrective measures. Sufficient teams may be formed to cover all Amrit Stations on the Zonal Railway.
