**Sub: Pan India Implementation of HMIS over Indian Railways**

**Ref: i) Railway Board's letter of even number dated 26.10.2020, 12.03.21 and 09.04.2021  
ii) Western Railway's letter no. F/G/Medical/HMIS/21-22 dated 24.05.2021**

1. The Project for implementation of Hospital Management Information System (HMIS) over IR has been transferred to RailTel for execution. Further, Ministry of Railways (Railway Board) has constituted a Committee and its recommendations were approved by the Board and issued vide letter under reference (i) above.
2. As per this letter, RailTel has to get development & deployment Pan-IR HMIS software and also hosting on cloud/data centre. The provision of existing sanctioned work will be utilized and for the enhanced scope, estimate will be revised in due course. The Revision of estimate will be parallel exercise with the roll out of HMIS, as recommended.
3. The Zonal Railway has to provide LAN (Local Area Network) and connecting it to Railnet/Internet and also provide hardwares like computers, printers, barcode readers etc. at hospitals and dispensaries (other than few hospitals and dispensaries of NR, included in the present scope of work).
4. As per Western Railway's letter under reference (ii) above, it is clarified that for development and deployment of software in hospitals and dispensaries, integration with UMID and hosting the application on Cloud/data centre, no work will be required to be sanctioned by the Zonal Railway and it is part of the mandate to RailTel. Also, no separate MoU to be signed.
5. Zonal Railways have to carry out the work of provision of LAN & connecting it to Railnet/Internet and provision of hardware at hospitals and dispensaries, like computers, printers, bar code readers etc. (other than part of the present scope of work mandated to RailTel in which only few installations of Northern Railway are covered) to be provided by Zonal Railways
