

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

2017/Proj./NMRCL/RS/29/2

New Delhi, dated 05.03.2019

Managing Director,
Maharashtra Metro Rail Corporation Limited,
(Maha-Metro) Metro House, 28/2,
C.K Naidu Marg, Anand Nagar, Civil Lines,
Nagpur, Maharashtra -440001

Sub: Introduction and operation of Standard Gauge (SG) Metro coaches manufactured and supplied by M/s. CRRC Dalian Co. Limited, China with air suspension arrangement at secondary stage up to the maximum speed to 25 kmph over Nagpur Metro SG Rail network.

Ref: Ministry of Civil Aviation's letter संख्या-क्यू.14011/01/2018-19 त. वि. dated 05.03.2019

In reference to the letter cited above, provisional sanction of Ministry of Railways is hereby communicated for operation of Standard Gauge (SG) Metro coaches manufactured and supplied by M/s. CRRC Dalian Co. Limited, China to M/s. CRRC Dalian Company's General Arrangement Drawing No. PWB07-CRR-VH-RST-PWD-GDT-0007 Rev. A04, is : DMC+TC+DMC with air suspension arrangement at secondary stage for **INTERIM** operation of subject Rolling Stock **up to the maximum speed to 25 kmph** under 'One Train Only System' over Nagpur Metro SG network of Maharashtra Metro Rail Corporation Limited (Maha-Metro).

Unique Transportation Code & Layout Drawing No. of proposed coaches of Nagpur Metro, having maximum axle load of 16.0t are as under:

SN	Type of coach	Unique Transportation Code	General Arrangement to M/s. CRRC Dalian Co. Limited, China's Drawing No.
1.	Driving Motor Car	DMC	PWB07-CRR-VH-RST-PWD-GDT-0010
2.	Trailer Car	TC	PWB07-CRR-VH-RST-PWD-GDT-0010

The sanction is further subject to the following conditions/stipulations:

1. All the conditions/stipulations given by CMRS/CC vide letter No. C-11 (257)/2019 dated 04.03.2019.
2. Since the proposed system of running of trains in the section is 'One Train Only System', Maha-Metro shall ensure that special provisions in accordance with Section-87 'Application of Special Procedure' under Chapter-XII 'Other Systems of Working' of the Metro Railways General Rules, 2013 and para-29 'Signals' under Chapter-IX 'Signalling and Train Control Installations' of the 'Opening of Metro Railways for Public Carriage of Passengers Rules, 2013' are framed before the commencement of commercial operations of the subject rolling stock.
3. As per para 6.7 of the Interim Speed Certificate No. UTHS/106/NMRC/Mech. dated 23.02.2019 issued by RDSO, radio communication shall be provided for the train operator to the OCC/Station throughout the section to enable the driver to contact OCC and station control room in case of emergency.
4. Before initiating train operations, Maha-Metro shall certify track fitness and safety of the rolling stock depending upon the actual condition of the bogie suspension system, brake system, wheel, axle and other safety related components.

Contd...2/-

5. As per para 8.2 of the Interim Speed Certificate, operation of the train in deflated mode of air spring would be permitted at a speed of 15 kmph upto the depot in order to clear the section.
6. Maha-Metro shall ensure that all the cable used in the rolling stock are compliant to BS6853/EN45545 standard. Fire survival cables shall be used in Passenger Alarm System, PA lines, Emergency Brake Loop and critical Control Systems. All other cables shall be fire resistant with improved fire performance and high resistance to temperature.
7. Coach number or Unit number is not mentioned in EIG certificate for Rolling Stock. EIG sanction shall be obtained for each coach. EIG sanction shall be obtained for all the future rolling stock also.
8. Maha-Metro shall take all precautions regarding electrical clearances and other parameters, as required for ensuring safety of personnel, and for protection of power supply system at the time of train operations.
9. It shall be ensured by the Maha-Metro to get all their Manuals and Instructions related to Maintenance of Rolling Stock approved by Ministry of Railways (RDSO) and also to develop a mechanism to get their various maintenance practices audited periodically by RDSO. Hard copy of Maintenance Manuals, after being approved should be sent to the Commission.
10. During rolling stock maintenance, it shall be ensured that the height of equipment having minimum ground clearance on Metro Coaches does not infringe minimum dimensions mentioned in paras 3.1.4 and 3.1.5 of Chapter –III of approved SoD for SG network of Nagpur Metro.
11. As per para-5 of 'PREAMBLE' of SoD approved by Railway Board, the Kinematic Envelope(s) indicated in the SoD shall not be violated under any circumstances.
12. Brakes of the rolling stock shall be in good working order during the commercial operations and during other self-powered movements anywhere.
13. Maha-Metro shall ensure that a procedure for safe movement of rolling stock in depots and other such areas is also in place.
14. In accordance with para 8.4 of the RDSO's Interim Speed Certificate, fresh oscillation trials shall be conducted for issue of Interim Speed Certificate at full speed. Copy of the report of these oscillation trials will be made available to the Commission of Railway Safety.
