Please refer to DO letter of even no. dated 07.11.2016 wherein it was advised to carry out the exercise of verification of pensioners in the banks during the month of November, 2016. However, some of the Railways have expressed their inability to carry out the exercise as the bank staff are engaged in the implementation of demonetization scheme. The matter has been examined. Keeping in view the prevailing situation, it has been decided that the said exercise may be carried out in the month of January, 2017. Compliance reports may be sent to Board by 15.02.2017
