07 July 2017

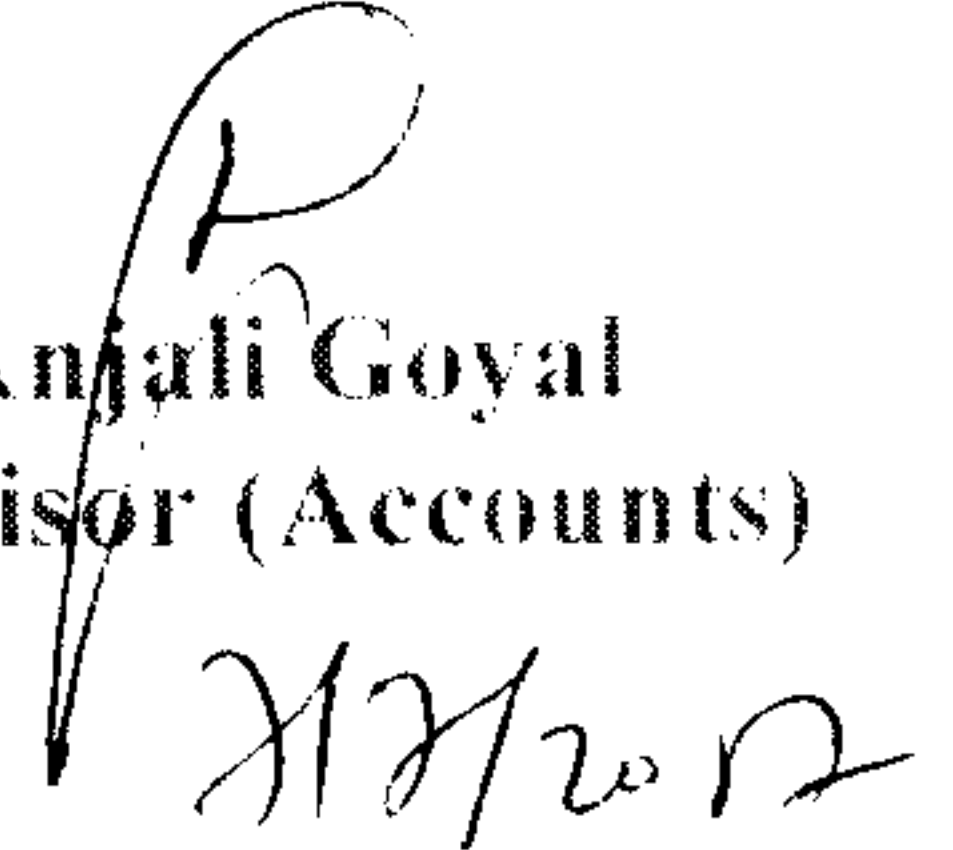

**General Managers
Production Units**

Sub: GST on IR – Compliance in Production Unit

Kindly connect Board's letters regarding implementation of GST over Indian Railways. The ERP/IT systems of Production Units were instructed to be suitably modified to accommodate GST related data like CGST, SGST, IGST, UGST, invoice numbers, GSTIN numbers etc. The data regarding input and output tax transactions of Production Units have to be amalgamated on CRIS systems, as the IT systems in PUs are not centralized.

The action taken by Production Units in this regard may kindly be communicated at the earliest indicating readiness of IT systems, engagement of GST consultants, formation of GST committees in Production Units for implementation of GST.

The feedback in this regard may be sent by 13/7/2017. It may be noted that the feedback is sought from Cabinet Secretariat.
