Zonal Railways/PUs

Sub:- Verification of Pensioners/Family pensioners in Banks.

Please refer to DO letter of even no. dated 07.11.2016 wherein it was advised to carry out the exercise of verification of pensioners in the banks during the month of November, 2016. However, as the bank staff are engaged in the implementation of demonetization scheme, it was subsequently advised that the said exercise may be carried out in the month of January, 2017 and compliance reports may be sent to Board by 15.02.2017.

It was brought to the notice of Board by One of the Railways that there are many instances of overpayment of pension for various reasons like, erroneous payments of commuted portion of pension, payment of enhanced family pension instead of normal family pension, payment of old age pension and medical allowance though not due. Further, pensionary debits pertaining to pensioners other than Railway pensioners also form a major portion of over payments of pension. The incidence of overpayment of pension on this account may be ruled out once the Pension Master is sanitized fully.

It is therefore, requested that thrust may be given to identify the pensionary debits received for other than Railway pensioners, besides sanitizing the Master data.

Action plan may also be drawn to carry out the exercise of physical verification of pensioners and submission of compliance report.
