\*\*\*\*

Please refer to Board's letter of even no dated 19.1.2017 (RBA 4/2017) on above subject requesting to ensure strict adherence to provisions contained in Chapter 32 of Indian Railways code for Stores Department vol II and specifically para 3202 SII which lays down the frequency of stock verification. The factual position on Railways/ PUs was also called.

The feedback received from the Railways /PUs in this regard has been examined. It is seen that most of the Railways have confirmed implementation of the codal provision ibid.

It may be appreciated that the issues relating to deficiencies in stock verification has been pointed out in past in the reports by Audit and Railway Convention Committee. It is therefore, requested that the position on your Railway may be reviewed and an efficient monitoring mechanism be put in place to ensure that there are no arrears in stock verification of stores/scrap material.
