RBA 12/2005

No. 2005/ACII/21/1

Dated 11. 3.2005.

FA&CAO,
All Zonal Railways/ PUs.

Sub: Implementation of New Pension System.

A reference has been received from Chief Controller (Pensions) wherein it has been advised that they have received information on New Pension System in electronic formats only from 4 units which also does not conform to the desired formats. Some of the Railways have sent information in Excel or word files which is of no use to CPAO. The position *ibid* is a cause of concern and calls for concerted efforts at suitable level to ensure flow of information in desired formats to CPAO immediately.

It may also be mentioned, that the implementation of the above system is being monitored by Ministry of Finance, at the highest level and review meetings are held at regular intervals. In the last meeting held on 19.1.05 it has been desired that information flow should stabilise by March'05 in Railways. Meanwhile, CPAO has made certain modifications in the formats and the revised Electronic Formats thereof are enclosed for your information. It is requested that suitable action may be arranged to send the information as per the revised formats.
