No. 2023/PH-30 & 32/Umbrella

New Delhi, dated: - 21.02.2023

General Manager,
All Zonal Railways.

Sub: - Regarding processing of works on IRPSM (PH-30).

It is being observed that itemized Out of Turn (OOT) works are being sent by Zonal Railways without any connection with sanctioned umbrella works under PH-30 (Road Safety Works). Once, umbrella work got sanctioned for respective Plan Head than itemized work should only be processed on IRPSM.

Zonal Railway are requested to identify work of urgent nature other than safety consideration which is required to be got sanctioned urgently and no unspent amount is left with them for earlier sanctioned umbrella's. In such case, Zonal Railway may request either to provide an additional umbrella work amount against this financial year or to seek suitable umbrella amount for financial year 2023-24 for sanctioning of such works. If any Zonal Railway wants to initiate for creation of Out of Turn Umbrella then, it should only be processed 60 days in advance before upcoming parliament session for inclusion as supplementary grant.

In view of above, it is requested to process work for sanction to Railway Board only against the sanctioned umbrella works pertains to concern Zonal Railway.

This issue with the approval of PED/Bridges.
