(RAILWAY BOARD)**

No. 2014/CE-III/BR/Bridge Policy

New Delhi dt: 19.10.2023

Principal Chief Engineers,
All Zonal Railways.

Sub: Bridge – Inspection & Maintenance under Own Your Bridge (OYB) Inspection Drive.

Ref: Board's letter of even number dated 24.07.2023 & 25.07.2023.

Intensive inspection of all bridges (having Open Web Girder / Under slung Girder) was to be carried out by SAG officers under OYB scheme and the inspection was to be conducted within one month. It is noted that the inspections are not yet completed even after lapse of two months in some of the railways.

2.0 Further, it was also directed that the compliance of the deficiencies noted shall be monitored by the same SAG officer who has inspected the bridge. It is desired that the status of pending inspection and compliance of the deficiencies be monitored at your level. Necessary works, as required for repair / strengthening or making good the deficiencies observed, shall be got sanctioned under Plan Head 32 for early execution. Additional funds under various umbrella works shall be provided as per the demand raised.
