

भारतसरकार (GOVERNMENT OF INDIA)
रेलमंत्रालय (MINISTRY OF RAILWAYS)
रेलवेबोर्ड (RAILWAY BOARD)

No. 2013/CE-II/TK/Security Patrolling

New Delhi Dated: 03.05.2024

Principal Chief Engineers
All Zonal Railways

Sub: Disposal of unused/released P. Way materials

Instructions exist that P. Way materials, including released rails from the track during track renewals or maintenance activities lying along the Railway track and in the station yards must be collected and kept under safe custody as soon as possible.

Recently, an incident has come to notice wherein loose P. Way materials lying near the track has caused damage to running train. Railways should ensure to collect loose P. Way materials lying in block section yards near the track and stack them at proper manned locations. Also, all unserviceable P. Way materials like rails, PSC sleepers, etc shall be disposed of as per extant instructions early.
