New Delhi, Date: 06/06/2025

**Principal Chief Engineer,  
All Zonal Railways.**

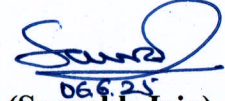

Sub: **Inclusion of progress of ISD (Increase in Sleeper Density) Works in TSR(S).**

Ref: NER letter No. W/409/31/Target/25-26/4A dated 19.05.2025.

N.E. Railway vide letter under reference has requested that progress of ISD (Increase in Sleeper Density) works may be considered as equivalent to TSR(S) for the purpose of assessing the progress of track renewal work.

The matter has been examined in Board's office. Considering that the efforts required for ISD works in terms of planning, execution, and resource deployment are comparable to those required for TSR(S) works, progress of ISD works may be treated as equivalent to TSR(S) for the limited purpose of assessment of track renewal progress.

This issues with the approval of Competent Authority.
