New Delhi, Dated 22.12.2020

All Indian Railways & PUs

**Sub: Processing for Works Programme 2021-22 on Indian Railways.**

1. The annual exercise of Works Programme for the financial year 2021-22 is to be undertaken by the Railways.
2. Railways' focus should be on completion of already sanctioned works so as to complete them in a time bound manner and utilize the investment made by railways. Zonal Railways are therefore advised **not** to propose new works in work programme 2021-2022, except very important and essential works related to safe running of trains.
3. Board further desires that a critical review of all sanctioned works must be carried out over Railways and all such works which are not required in present scenario may be dropped/ frozen or processed for deletion/freezing at Board's level.
4. From year 2018-19, the concept of Umbrella works has been introduced. The detailed procedure to deal with these works has already been issued vide Board's letter No. 2017/CE-I/WP/2018-19/1 Pt. dt. 19.07.18 & 30.09.2019. Railways should adhere to the same.
5. Railways/PUs should submit Vol-II containing new proposals of individual works to Board's office latest by **30<sup>th</sup> December, 2020**.
6. The Vol.-I & Vol.-III for on-going works and other volumes of Works Programme may be submitted on IRPSM latest by **15<sup>th</sup> Jan 2021**. While sending Vol-I Railways, apart from Safety Works, should focus more on completion of traffic facility works, doubling, RE works and all such works which would result in increase of loading over IR.
