No. 2016/Track-I/29/3/1(3) TMS Misc  New Delhi, Dated 27.12.2021

The Principal Chief Engineer,
All Indian Railways

Sub: Data Uploading in e-application TMS for Identification of Structures Infringing Clearances required for Running of Double Stack Dwarf Container Trains (DSDC)

1. A facility has been created in e-application TMS for identification of Structures Infringing Clearances required for Running of Double Stack Dwarf Container Trains (DSDC).

2. The facility can be accessed at the following link in SSE/P.Way in-charge login:

   Main Menu > Work> DSDC Clearance> Entry

   The data can be uploaded by the SSE/P.Way in-charges for their jurisdiction. The guideline for uploading of data is available on the ‘Entry’ form. The limiting values of required clearances are also available in the ‘Entry’ form.

3. The Report of data uploaded can be viewed by all concerned at the following link:

   Main Menu > Report (A-K)> DSDC Clearance

4. Railways are requested to instruct all SSE/P.Way in-charges to fill up data latest by 15th Jan-2022. For any assistance in uploading of data, Railways may contact the TMS ‘Help-Desk’.
