Managing Director, KRCL, Navi Mumbai  
CAO, Indian Railway Diesel Component Works, Patiala

**Sub.:- Use of Inspection Carriages/Saloons.**

Several instructions/guidelines from time to time have been issued in the past regarding use of Inspection Carriages/Saloons. However, instances of misuse and indiscriminate use of Inspection Carriages/Saloons have come to Board's notice. Board's Vigilance Directorate has also pointed out this aspect.

A copy of the letter issued by Secretary, Railway Board vide D.O. letter No.2000/Chg.II/28/16 dated 02.05.2000 by Secretary, Railway Board is enclosed herewith for ready reference in which it is, inter alia, reiterated that Inspection Carriages are strictly meant for inspection purposes only and these should not be used as a means of transportation.

It is requested that the contents of above letter and various instructions on the subject issued earlier should be brought to the notice of all officers for strict compliance.

DA: As above
