भारत सरकार GOVERNMENT OF INDIA
रेल मंत्रालय MINISTRY OF RAILWAYS
रेलवे बोर्ड (Railway Board)

No. 2007/M(C)/137/16 vol.(xii)

New Delhi dated 19.04.2018

Principal Chief Mechanical Engineer,
Northern Railway,
New Delhi.

Sub: Setting up 'Centre of Excellence' for LHB air brake system
at Jagadhri Workshop.

Recently, a review meeting of air brake manufacturers was held by Board (MRS). During the review, it was felt that there is a need for establishing a 'Centre of Excellence' for maintenance of LHB air brake equipments so as to develop the expertise required for maintenance of such systems. At present, maintenance of LHB air brake systems is outsourced at most of the locations. Railways need to develop expertise in maintenance of air brake systems of LHB coaches.

2. In this regard, it has been decided by Board (MRS) that a 'Centre of Excellence' for maintenance of air brake system of LHB coaches shall be developed at Jagadhri Workshop. Necessary action may be taken by Northern Railway to set up the 'Centre of Excellence' at the earliest.
