Sub: Running of FTR coaches by tour operator in multiple trips for long period.

Ref: Eastern Railway's letter No.TT/589/Policy/FTR dated 27.02.2015.

Please refer to Eastern Railway's letter mentioned on the above subject. It has been informed that party books the special coach on FTR for longer period and uses the party coach to transport different set of passengers by the same coach in return direction, avoiding detention charges.

In view of above, it may be ensured if party coaches are allotted to any party, passengers who travel in one direction have to return by the same coach. Change in passenger list is not permissible during the return journey. If the same passenger returns after 3 days or whatever period, detention charges for 3 days @ Rs.900 per hour per coach or as applicable have to be levied. This should be strictly enforced.
