No. 2021/EEM/150/9

New Delhi Date. 22.08.2024

General Managers,
All Zonal Railways and Production Units

Sub: Procurement policy for specific Electrical Items.
Ref: Board's letter no. 2020/RS(G)/779/12 dated 18.02.2021 & 07.09.2021.

The policy directives and instructions issued vide para (2c) of Railways Board's letter under reference dated 18.02.2021, mandating procurement of electrical items through stores, have been reviewed by the Board in view of representations received from various Zonal Railways.

2 . It has now been decided that the General Managers in consultation with PCEE and PCMM can decide to procure critical electric items like Lifts, Escalators, SCADA systems and Transformers through Works Contract in very exceptional circumstances. Even when procuring in this manner, care should be taken to ensure that the rates, quality and subsequent servicing and maintenance through warranty/guarantee etc. of the items are comparable with the items being procured through the Stores Contract.

3. It is further clarified that the above instructions have no bearing on already issued policy of 'Amrit Bharat Station Scheme' by Station Development Dte.

4. This issues with concurrence of Finance Directorate and approval of Board (MTRS, MF and CRB & CEO).
