The production of electric locomotives has already been started at DLW and DMW besides CLW.

Thus, CLW is the nodal production unit for vendor assessment and approval for electric loco items which should be followed by other Electric locomotive production units and Zonal Railways.

3.0 CLW is advised that CLW's Criteria for fast track vendor development established vide Annexure-II to Work Instruction no. CLW/MLSA/EL/WI/Rev.3 effective from 31.12.2017 along with all the stipulations required to meet out the criteria including **Important Note** under the table (page 57 of 59 of W.I.No.CLW/MLSA/EL/WI/Rev.3) will be made part of CLW's Vendor directory (Master List of approved suppliers). Details of interim approved vendors will be incorporated in CLW's Vendor directory alongside those of approved vendors & the same will be updated on monthly basis by CLW through suitable amendments.

4.0 Accordingly, CLW, DLW and DMW and all Zonal Railways are directed to follow CLW's Vendor directory consisting of approved vendors and interim approved sources (as per CLW's criteria for fast track vendor development contained in CLW's work instruction for vendor approval procedure No.CLW/MLSA/EL/WI/Rev.3 effective from 31.12.2017) in respect of procurement of electric loco items (except those items which are under the control of RDSO).
