Sub: List of Special Courses for recruitment under Scouts & Guides Quota
Ref: Central Railway letter No. P/CR/HQ/RRC/128/S&G/2019-20 dated
23.12.2020

With reference to the above, a list of specialized courses as available in the Chapter-VI of the booklet, "*Scheme of Training*" issued by the Bharat Scouts & Guides (BS&G) is attached for information. No separate instructions regarding courses etc. have been issued by Railway Board.

It is further mentioned that the State Chief Commissioners (SCC) of Zonal Railways are in-charge of the scouting activities on their respective zones. In case, further clarity on the aspect of training/courses etc is required, Central Railway may consult BS&G directly, as they normally do without consulting Railway Board, while organizing their regular annual scouting events.

Sub:- Recruitment against Open Advertisement under Scouts and Guides quota.

Recruitment against Open Advertisement under Scouts and Guides quota for the year 2019-20 over Central Railway is under process. Written test and verification of Scouts and Guides certificates have been conducted.

During finalizing the proceeding for level-2, committee which consists of 3 SAG officers, unanimously raised doubt on the issue of awarding 10 marks under the head "Specialized Scout / Guides course organized at National / State / All Indian Railways level" in terms of Para 8 (C) (iv) of RBE 110/2015 and made a reference with queries to RRC/CR.

At present, there is no such list of Specialised Courses circulated by Railway Board, available with this office. The Schedule of Training issued by Bharat Scouts and Guides provides a list of Special courses for Leader of Adults. Since Railway Board mentions Specialised Scouts/Guides Course (and not just Leaders of Adults) as the criterion, the committee could not arrive at a decision whether to consider the certificate of participation in "Skill Development Course", "Community Singing Course", "Regional Handicraft and Vocational Training Course" etc as a specialised course or otherwise. Also whether the course joined as other than Leader of Adults (Ranger / Rover), or the certificate not mentioning category at all, needs to be considered or not.

The committee therefore, recommended that the matter may be referred to Railway Board for clarification as to which courses are to be considered as Specialised Course for awarding 10 marks and also whether the course joined as other than Leader of Adults (Ranger / Rover), or the certificate not mentioning category at all, needs to be considered or not.

In view of above, Railway Board is requested to clarify as to which courses are to be considered as Specialised Course for awarding 10 marks under the head "Specialized Scout / Guides course organized at National / State / All Indian Railways level" as per Para 8 (C) (iv) of RBE 110/2015. It may also be clarified that whether the course joined as other than Leader of Adults (Ranger / Rover), or the certificate not mentioning category at all, needs to be considered or not.

This may please be treated as most urgent as the target date for completion of recruitment process is 31/12/2020.
