(As per standard mailing list).

Sub: Absorption of medically decategorised staff in alternative posts.

Reference para No.1306 of Indian Railways Establishment Manual, Volume I, 1989, regarding constitution of a Committee for assessing suitability of medically decategorised staff for absorption in alternative posts.

2. In the CPO's conference held in the Board's office on 30-08-2003, it was pointed out that there were instances wherein some staff were declared medically unfit for the posts held by them, however, they were declared to be fit for other posts, but the Committee of three JA Grade officers (constituted for their absorption into alternative posts) did not find them suitable for any post in Railways. The matter has since been considered by the Board and it has been decided that the Committee to assess suitability of the medically decategorised staff for absorption in alternative posts should include a medical officer also to bring about objectivity in dealing with such cases.
