GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

NO. E(NG)I68CN5/1

New Delhi, the

2nd February, 68

The General Managers,
All Indian Railways,

Sub: Confirmation of Corridor Coach Attendants.

It has come to the notice of the Board that most of the attendants attached to the first class Corridor Coaches have not been confirmed. This is probably due to non-availability of permanent posts in the cadre. The Board have carefully considered the question and have decided that a scheme of making posts of corridor coach attendants permanent may be worked out in consultation with the F.A.&C.A.O. on the basis of the following yardstick:

1. One Coach attendant for 2 coaches vestibuled to each other. For this purpose, the possibility of vestibuling more coaches should be kept in view so that permanent posts do not become surplus later.
2. On trains which have only one first class corridor coach, One coach attendant for each such coach.

N. V. Jayaraman
(N.V. Jayaraman)
Asstt. Director, Estt.
Railway Board
