

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

69-A

(NG)I-71PM1/261.

New Delhi, dated

7-11-1973.

1. The General Managers,
All Indian Railways, CLW, DLW & TCF.

2. The Director General,
R.D.S.O., Lucknow.

Sub:- Avenue of promotion for Laboratory Assistants in the
Mechanical Department.

In Board's letter of even number dated 5.6.72 it was laid down that 25% of the vacancies of Junior Chemical and Metallurgical Assistants in posts 150-300 should be filled from amongst the Laboratory Assistants. The Board have further considered the matter and decided that the prescribed qualification of Degree in science may be relaxed to "Matriculation or its equivalent with science" for the purpose of promotion of staff against 25% quota; promotion should be based on selection.

2. The staff so promoted as Junior Chemical and Metallurgical Assistants with relaxed qualification will not be considered for further promotion as Junior Chemical and Metallurgical Assistants unless they acquire the minimum qualification viz- Degree in science as prescribed for these posts.

Please acknowledge receipt.
