Copy of letter No. E(NG)I-76/PMI/86 dated 18.2.1978  
from Dy Director Establishment to the G.Ms All Indian Railways

Sub: Promotions of Asstt. Chemists to the post of Chemists in grade P.425-700  
(RS) -Medical Department.

.....  
Reference Ministry of Railways letter of even number dated 24.2.77 enclosing a copy of Board's letter of even number dated 11.8.76. In the above letter it was clarified that those Assistant Chemists who have put in 15 years service and possess Diploma in Laboratory Technician Course may be considered for selection as Bio-Chemist /Chemist grade P.425-700. It has been represented that the condition of minimum service as Asstt. Chemist may be relaxed as Assistant Chemist have no further advancement. The Ministry of Railways have now decided that posts of Chemists/Bio-Chemists in grade P.425-700(RS) may be filled by selection of Asstt. Chemists who have put in 5 years service. The professional competence of the persons should however be assessed by a trade test at the time of selection.

(This disposes of GM/N.Rly's letter No.220E/267-  
IIA(Eib) dated 23.1.78, W.Rly's letter No.E/MD/-  
834/17/8 dated 17.1.78 and N.F.Rly's letter  
No.E/227/122/12(Mrddsx dated 9.12.76.)
