Sub: Filling up of the post of Laboratory Superintendent
in the Grade Rs.550-900(RS) - Relaxation of educational
qualifications and experience.

In terms of Ministry of Railways letter No.E(NG)III-72RC1/16
dated 1.8.72, the following qualifications have been laid down for
direct recruitment of Laboratory Superintendents in the scale of
Rs.550-900(RS):

"M.Sc.(Chemistry preferably Biochemistry and/ or Organic
Chemistry) with experience of two years in a Laboratory
or Institution undertaking analysis connected with Food
drugs or chemical Biochemistry."

OR

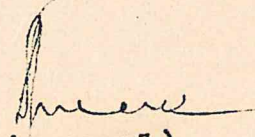

"B.Sc.Chemistry with 5 years experience in analysis of Food,
water, drugs or Chemical Biochemistry."

2. For departmental promotion also, qualification laid down for
chemists in the scale of Rs.425-700 for promotion as Laboratory
Superintendent is graduation in science with five years experience
as Chemist.

3. As difficulties were experienced in getting suitably qualified
persons by way of educational qualifications and experience as
laid down above, it has been decided by the Ministry of Railways
that for filling up the upgraded post of Laboratory Superintendent
in the scale of Rs.550-900(RS), the qualification of graduation in
science should not be insisted upon. Similarly the requirement of
5 years service should also be dispensed with as one-time dispens-
ation in this category to the available persons of 4 years'
standing. Accordingly seniormost employees available in the next
lower grade may be considered for promotion to the above posts.

(This disposes of North Eastern Railway's letter No.C6n.210/10/
3/Pt.I(ix) dated 13.5.80).
