2. It is clarified that such cases are to be regulated by the provisions contained in para 219(m) of IREM Vol. I, 1989 Edition in terms of which a person who could not be called for a selection because of his being on deputation abroad, he has to be considered in the next selection and his seniority etc. adjusted accordingly. There is no reason to deviate from this provision. Incidentally, it appears that the Railway while conducting the selection did not take into account the anticipated vacancies resulting in 3 vacancies continuing.
